NEW HAMPSHIRE

ANNUAL REPORTS

Of the Town and Fire and
Municipal Electric Department

For the Fiscal Year Ending December 31, 1961

Vital Statistics for 1961

-ACKNOWLEDGEMENT-

Typing necessary in the preparation of
this report was done by Mrs. Noyes V. Moore

IN MEMORIAM
CHARLES IRVING LUCAS

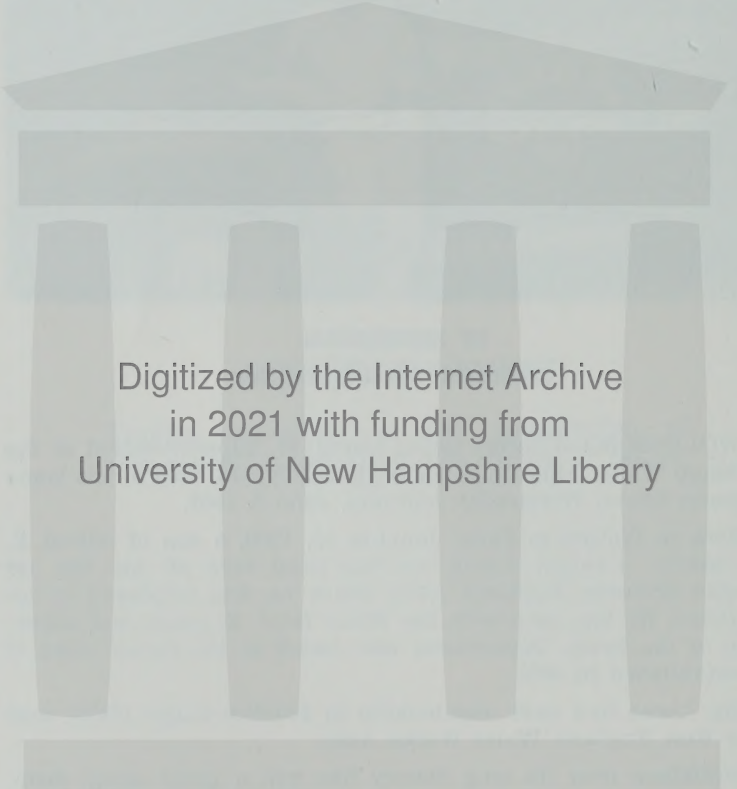

WOLFEBORO—Charles Irving Lucas, 61, superintendent of the Wolfeboro Water Department more than 25 years, died at his home on Center Street, Wednesday morning, June 7, 1961.

Born in Wolfeboro Falls, January 15, 1900, a son of Alfred E. and Harriet (Clough) Lucas, he had lived here all his life. He attended Brewster Academy, after which he was employed as an electrician. He has been with the Water Dept. 32 years, and supervision of the Sewer Department was added to his duties when it was established in 1939.

Mr. Lucas had held membership in Fidelity lodge, IOOF, and in the New England Water Works Assn.

Wolfeboro over its long history has had a great many dedicated public servants but I am sure Wolfeboro never had an official just like "Chucky" Lucas. He was obliging to a degree that made you embarrassed to feel anyone could do so much for you without thought of his own time or inconvenience. He was pleasant to meet everyday around town. He was always available day or night, winter or summer, to anyone who needed his help. Mr. Lucas was a conscientious businesslike administrator of his department always putting out more in hard work and the efficient management than the town could ever pay him for.

Wolfeboro will long remember and be indebted to "Chucky" Lucas.

1961 TOWN MEETING

The usual Town Officers were elected by non-partisan ballot. The Tax Collector was authorized to allow a discount on real estate taxes if paid before December 1st, and to appoint a Deputy. The Selectmen were authorized to sell property taken by tax title or otherwise, and to borrow money in anticipation of taxes.

The Budget was adopted with the following amendments:
The Highway Dept. budget was increased by \$1,000. to make alterations at the Town Garage to permit work to be done on school busses.

The Advertising budget was increased by \$250. so that the Town can participate in the Rotagravure section of the Boston Globe on May 21st, which will carry a special section on the Lakes Region.

The Budget included \$5,000. for drainage of Factory Street.

\$25,000, to rebuild Forest Road, submitted without recommendation of the Budget Committee, was defeated. \$15,000. to be raised by serial notes or bonds for the purchase of a new piece of fire equipment, was approved. This new piece of equipment will replace Tank Truck No. 1 and Hose No. 2.

An additional \$200. was asked for to take care of neglected cemeteries, but was NOT approved.

The meeting voted to raise \$7,500. to pay salary and travel expenses for one year for a Town Manager provided the town manager plan was adopted. However the Town Manager Plan was defeated by a vote of 339 against and 280 for.

The meeting voted to lease the property formerly occupied by the Goodwin Block from Joe Bradley for a parking lot and abate the taxes on same.

It was voted to consider Article 15 on Zoning at an adjourned Town Meeting to be held April 28, 1961 at 7:00 P. M. at Brewster Memorial Hall.

Articles 16, 17 and 18 which provided that if the Town Manager Plan was adopted, the Wolfeboro Representatives to the General Court be instructed to introduce legislation which would authorize the Town Manager to supercede the Commissioners of the Municipal Electric Dept., the Water and Sewer Dept., the Fire Dept., and the Police Dept., were passed, however, since the vote on Town Manager was unfavorable this will not be done.

Article 18, to see what action the Town will take concerning the agreement the Town has made with Smith River Corp. relative to the management of Smith River Dam: It was voted to authorize the Selectmen to try to negotiate a new agreement with Smith River Corp. and to institute such legal actions as may be necessary to accomplish the desired results.

Meeting was adjourned until April 28th, 1961 at 7:00 P. M. at Brewster Memorial Hall for consideration of Article 15.

Adjourned Town Meeting

April 28, 1961

Russell Claffin offered further amendments to the Zoning Ordinance to those posted with the Warrant for the 1961 Town Meeting which were adopted. The revised amendments were then voted on and adopted.

Carl Rines and Eliot Wyman then each offered further amendments, one having to do with the business district at South Wolfeboro, and the other with dispensing of Marine Fuels under conditional uses in Business 1A. Both these amendments were approved.

ANNUAL TOWN MEETING

Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Wolfeboro qualified to vote in Town Affairs:

You are hereby notified to meet at Brewster Memorial Hall in said Town on the second Tuesday of March next, from ten A. M. until 8 P. M. for the casting of ballots, and at 7 P. M. to act on the following articles:

ARTICLE 1. To choose a Town Clerk, two Auditors, one for two years and one for one year, Treasurer, Collector of Taxes, and Town Constable for the ensuing year, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, one Water & Sewer Commissioner for three years, three members of the Budget Committee for three years, two parks and playgrounds Commissioners for three years, one Fire Commissioner for three years, one Municipal Light Commissioner for three years, and one or more Overseers of the Poor for one year.

ARTICLE 2. To choose one Highway Agent, or to instruct the Selectmen to appoint one Highway Agent.

ARTICLE 3. To choose all other Town Officers and Agents.

ARTICLE 4. To see if the Town will authorize the Selectmen to sell any property taken by tax title or otherwise.

ARTICLE 5. To see if the Town will vote to instruct the Selectmen to authorize the Tax Collector to allow a discount on real estate taxes if paid before December 1st, at a rate of discount not to exceed the rate at which the Town can borrow money on short term notes.

ARTICLE 6. To see if the Town will authorize the Selectmen to hire a sum of money necessary to pay expenses in anticipation of taxes.

ARTICLE 7. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy under the provisions of Section 42, Chapter 80 of the Revised Laws of 1942 as amended by Chapter 7 of the Laws of 1945.

ARTICLE 8. To see if the Town will approve and adopt the

recommendations of the Budget Committee and raise and appropriate the various sums contained in the report and listed in the Budget.

ARTICLE 9. To see if the Town will authorize the Water & Sewer Department to borrow not to exceed \$40,000. on ten year serial notes and instruct the Selectmen to sign the necessary notes and forms to effect the loan.

Proceeds of said loan to be expended for the following purposes:

| | Estimated cost |
|--|----------------|
| 1. Chlorinator for water supply as required by the State Board of Health | \$8,000.00 |
| 2. Replace present 4" C. I. Pipe on Center St. with 6" C. I. pipe | 6,800.00 |
| 3. New 6" C. I. Pipe on Canopache Road | 5,500.00 |
| 4. New 6" C. I. Pipe on Forest Road | 16,000.00 |
| 5. Repayment of loan to Town of Wolfeboro | 11,800.00 |

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of twenty-six thousand nine hundred (\$26,900.00) Dollars to rebuild Forest Road. The foregoing twenty-six thousand nine hundred dollars to be raised by ten serial notes.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of fifteen hundred (\$1,500.00) Dollars to relocate the curve at the north end of Varney Road.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum not to exceed eighteen thousand two hundred (\$18,200.00) Dollars for the purchase of a new Highway Truck. The foregoing eighteen thousand two hundred dollars to be raised by five serial notes.

ARTICLE 13. To determine if the Town will vote to rescind Article No. 28, as adopted in Warrant of Town Meeting of 1934.

(In 1934 at Town Meeting, Article No. 28 appeared in the Town Warrant as follows:

"Article No. 28 to see if the Town will vote to have the private driveways broken out where it is necessary, this being left to the discretion of the Selectmen, and to be considered a part of the road breaking work."

The Article was adopted as follows:

"Article No. 28 upon a motion by John McHugh . . . that the Selectmen have driveways plowed out where requested and if paid for in advance, the cost to be from \$2.00 to \$5.00, the proceeds to be applied to the purchase and repair of equipment."

(\$2.00 to \$5.00 to be a seasonal rate.)

ARTICLE 14. To determine if the Town will vote to abolish the Sanitation Commission which is no longer active, and place the functions of said Commission in the Board of Selectmen.

ARTICLE 15. a) To determine if the Town will vote to authorize the Selectmen to inquire into and procure a comprehensive insurance plan, both as to liability and other insurance for the entire Town. This grant of authority to the Selectmen shall include the right to direct and implement the insurance program of the Town and all its departments including the Fire, Electric, Water & Sewer Departments, etc. The resources of revenue producing departments shall respond to pay for the proportion of the insurance attributable to their departments.

b) To determine if the Town will vote to authorize the Selectmen to purchase adequate liability and other forms of insurance to properly protect the entire Town. The limits of the comprehensive liability policy or policies to be \$100,000.00/\$300,000.00 bodily injury, and \$25,000.00 property damage. This authority to remain in effect until revoked.

c) To determine if the Town will vote to appropriate and raise \$2,000.00 to apply toward procuring the aforementioned insurance contained in Articles 15 a and b above.

ARTICLE 16. a) To determine if the Town will vote to accept the title to portions of Route 28 which the State of New Hampshire no longer desires. The portions to be conveyed to the Town by the State of New Hampshire are as indicated on plan of relocated construction Project TLR 14137 namely:

1) The portion between station 85-00 and station 94-50.

2) The portion between station 122-00 and station 124-50.

b) To determine if the Town will vote to continue for Town Highway use as part of the Town Highway system the portion between station 85-00 and station 94-50.

c) To determine if the Town will vote to discontinue for Town Highway use and eliminate same from the Town Highway system the portion between station 122-00 and station 124-50.

ARTICLE 17. To determine if the Town will vote to adopt the recommendations of the study committee created by Article No. 13 of the 1960 annual Town Meeting having to do with improving the operation of the Wolfeboro Water & Sewer Department.

ARTICLE 18. To determine if the Town will permanently assign to the Wolfeboro Water & Sewer Department the possession and exclusive control of approximately 90 acres of land owned by the Town located between Highland Road and Beech Pond. Said land being a portion of the land described in deed from Benjamin E. Sanborn to the Town of Wolfeboro dated May 21, 1937,

and recorded in Carroll County Registry of Deeds, Book 208 Page 53.

ARTICLE 19. On March 12, 1957 the Moderator appointed a committee to report on what Town owned property should be sold and what Town owned property should be held by the Town. Said committee's recommendations were adopted at the Town Meeting of the following year namely the year 1958. The record being vague as to whether said committee still functions, and because changes have occurred in the inventory of Town owned property since then, the Town is hereby asked:

a) To determine if the Town will abolish the aforementioned committee and nullify what remains of the said committee's above mentioned recommendations.

b) To determine if the Town, in lieu of the above mentioned committee, will empower and direct the Planning Board to act permanently to maintain a continuing inventory of Town owned real property, to locate, identify, and survey same if needed, to prepare a long range plan for the growth and development of the Town, and in particular the growth and development of the Back Bay Area, and to make recommendations to the Selectmen as to what property should be retained by the Town and what properties should be sold.

ARTICLE 20. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove, in its discretion, plats showing new streets or the widening thereof, or parks, and upon adoption of this article it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Carroll, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955.

Any appeal under the above provisions, shall be directed to the Wolfeboro Zoning Board of Adjustment.

ARTICLE 21. To see if the Town will vote to adopt and place in effect the changes in the Wolfeboro Planning and Zoning Ordinance recommended by the Wolfeboro Town Planning Board and posted with the Warrant at Brewster Memorial Hall and the United States Post Office in Wolfeboro.

ARTICLE 22. To see if the Town will vote to adopt and place in effect the following amendments to the "Wolfeboro Planning and Zoning Ordinance as Amended Through April 28, 1961."

1. (On page 1) Article II, Section 1: "Shore Front Residence" is hereby amended by striking out the word "**and**" in the third line of said section and substituting a **comma**

therefor, and by adding to the end of said Section 1 the words, **“and the Agricultural District.”**

2. (On Page 1) Article II, Section 2, “General Residence” is hereby amended by striking out the word **“Northeasterly”** in the third line of said Section 2 and substituting therefor the word **“Southwesterly.”**
3. (On Page 4) Article V, “Lot Requirements” is hereby amended by striking out the third paragraph thereof.
4. (On page 6) Article VI, “Permitted Uses” Section 6, “Agricultural District” is hereby amended by striking out use (a) and substituting therefor the following: **“ (a) Any use permitted in Business 1 b.”**
5. (On page 6) Article VII, “Conditional Uses” is hereby amended by adding at the end of the first paragraph of said article the words **“together with a 14 day notice by registered mail to the record owners of all land located within 200 feet of the land to be included in said conditional use, and the Board of Adjustment shall not approve such conditional use if the owners of 50% or more of the land within 200 feet of the same shall signify in writing their objections thereto.”**
6. (On page 6) Article VII, “Conditional Uses” Section 5, “Agricultural District” is hereby amended by striking out Conditional Use (a) and substituting therefor the following: **“(a) Any conditional use permitted in the Residence and Business Districts.”**

ARTICLE 23. To transact any other business that may legally come before this meeting.

Given under our hands and seals this 13th day of February A. D. 1962.

Selectmen's Progress Report

Taxes:

The annual inventory was taken with the aid of an assessor. Work has been started on a tax map which should be of valuable assistance in the future.

| | 1951 | 1960 | 1961 | 1962 (Est) |
|---------------------|------------|-----------|-----------|------------|
| Assessed Valuation | \$5492072 | \$8836132 | \$9093162 | \$9293162 |
| Increased Valuation | 380370 | 3344062 | 257030 | 200000 |
| Tax rate per \$1000 | 40.40 | 44.60 | 46.40 | 48.25 |
| | (Precinct) | | | |

The following figures will show you how the town of Wolfeboro compared taxwise with neighboring towns in 1961.

| Name of Town | Percentage at which State Tax Commission figures Town is assessing of Fair Market Value in 1961 | 1961 Tax Rate Per \$1000 | 1961 Tax Bill based on a \$10,000 Fair Market Value | 1961 Approximate Tax Rate if towns were Assessed at 100% Fair Market Value per \$1000 | 1961 Approximate Tax Bill on same property if Town assessed at 100% of Fair Market Value |
|---------------|---|--------------------------|---|---|--|
| Center Harbor | 100 % | 23.00 | 230.00 | 23.00 | 230.00 |
| Conway | 60 | 50.20 | 301.20 | 27.60 | 276.00 |
| Wolfeboro | 46 | 46.40 | 213.44 | 20.50 | 205.00 |
| Gilford | 43 | 40.00 | 172.00 | 18.70 | 187.00 |
| Ossipee | 41 | 48.30 | 178.03 | 20.50 | 205.00 |
| Moultonboro | 31 | 35.00 | 108.50 | 11.20 | 112.00 |
| Alton | 30 | 43.90 | 131.70 | 13.00 | 130.00 |
| Tuftsboro | 28 | 35.00 | 98.00 | 8.90 | 89.00 |

General Items:

1. Town offices were renovated, new desks and chairs purchased.

2. Benches placed down town and at bus stop for citizen's convenience.

3. Rubbish containers were purchased and placed at busy spots for a neater town.

4. Smith River Dam; New agreement is now in final stages of settlement. This new agreement, if accepted by the former owners, will insure the most desired level of Lake Wentworth

and Crescent Lake, and give to the town the control of the actual operations of the dam, and improve the safety feature of the dam.

5. Eight new wharves and a boat ramp were built in Smith River near the Youth Center, accommodating approximately thirty-two small boats.

6. Libby Museum has a new roof, with a balance of cash left in the museum account to repair the ceiling.

7. The exterior of the information booth was repaired and painted, foundation shrubbery planted, and a new underground electrical service entrance installed.

8. An insurance survey was made of all existing policies. All aspects of fire, property damage, and liability were investigated as to the amount and scope of coverage. All departments co-operated in this survey with the objective of better coverage for less money by consolidation.

9. Back Bay dump area was surveyed to reestablish town property lines to prevent infringement.

10. Suggestion box was transferred from the Selectmen's Office to the post office for the convenience of Wolfeboro citizens to use as a means of communication with your town departments. Unfortunately, its use has been limited.

11. Keymen Club, members made up of all former selectmen, was organized to utilize their knowledge whenever necessary.

12. Railroad grade crossing signs were installed as directed by the Public Utility Commission, at an approximate cost of Seventy-five dollars.

13. Street lights were added to South Main Street, Clark Road, Route No. 28 near Alton Town line, Whitten Neck Road, Youth Center and new dock area, Mast Landing.

14. New dock regulations were drawn up, adopted, and recorded.

15. Policy and specifications on acceptance of roads by the town has been established.

16. New policy on town dumps, open 24 hours a day, new identification and directional signs, new wide fire road built around Hyde Hill Dump.

Recommendations:

1. That the town maintain a comfortable modern year round bus station.

2. More interest be shown in your town government by voting, and participating in more meetings, for example: budget meetings, zoning appeal board meetings, court sessions, and annual town meeting.

3. That the town adopt a "uniform administrative code" for employees of all town departments.

4. That the voters direct their representatives to propose an increase in boat allowance, from \$100.00 to \$350.00.

| Mill Street Office, stock & office contents | 8,000. | 5,000. | |
| | <u>\$396,400.</u> | | <u>\$347.00</u> |

Recommended that policies be written in amount of \$357,000., blanket on buildings & contents with 90% Co-Insurance clause. Coverage, fire and extended coverage. Policies be written for three year term with premiums payable annually. Policies would exclude off premises poles, wire and transformers.

Annual Cost estimated to be \$3,130.00

Return premiums on present three year policies estimated \$780.00

WATER & SEWER DEPT.

| Property | Values Jan. 1962 | Present insurance | Present annual cost |
|---------------------------------------|---------------------|----------------------|------------------------|
| Pumping Station, Mill St. | \$8,000. | | |
| Contents | 7,333. | | |
| Pumping Station, Factory St. | 2,000. | | |
| Contents | 3,667. | | |
| Shop, Factory St. | 2,500. | \$2,500. | |
| Storage Building in rear | 2,000. | 1,700. | |
| Storage Building at Disposal plant | 1,500. | 1,500. | |
| Contents of three buildings | 6,000. | 4,000. | |
| Large Stand Pipe (1955) | 120,000. | | |
| Small Stand Pipe (1948) | 50,000. | | |
| | <u>\$203,000.</u> | <u>\$9,700.</u> | <u>\$100.00</u> |

Recommended that policies be issued in the amount of \$184,000., blanket on buildings & contents, with 90% Co-Insurance, coverage Fire, Extended Coverage, Vandalism & Malicious Mischief, policies to be five year term with premiums payable annually.

Annual Cost \$333.00

The return premium on cancelled policies would amount to around \$100.

Town of Wolfeboro

January, 1962

Public Liability insurance now in force:

Highway Dept., maintenance and new construction

5/10 limits bodily injury, no property damage

Clark Shop 10/20 limits bodily injury, no property damage

Ski Slope 10/20 limits bodily injury, no property damage

Libby Museum 10/20 limits bodily injury, no property damage

Dockside, wharf & waterfront, parking area and Cate Park

Youth Center & Express Office 50/100 B. I. and 5,000 P. D.

Socony Parking Lot & Bradley Parking lot 100/300 B. I. and 5,000 P. D.

Now paying approximately \$535.00 annually

Recommend a Comprehensive Liability policy to cover all Town property (except Water & Sewer Dept. and Municipal Electric Dept. which have separate policies) with limits of 100/300 B. I. and \$25,000. P. D.

Estimated annual cost \$1,800.00

Estimated return premium for cancelled policies less than \$100.00

Municipal Electric Dept.

Public Liability

This Department now carries Bodily Injury limits of 100/300. The Britton Agency has recently quoted rates for various limits of Property Damage Liability. It is estimated that limits of 25/25 P. D. could be added at an additional cost of around \$130.00.

Water & Sewer Dept.

Public Liability

Department now carried 10/20/5 limits at an annual cost of about \$80.00

Limits could be increased to 100/300/25 and Comprehensive Coverage added for an ADDITIONAL premium of about \$30.00.

BUDGET COMMITTEE'S REPORT

The total budget for the year 1962, as recommended by the budget committee, amounts to \$543,609.94, as compared with an expenditure of \$499,875.52 for the year 1961. Included in this 1961 amount of \$499,875.52 is \$110,874.62, due to be paid the Wolfeboro School District before July 1, 1962, but not yet disbursed. The 1962 budget has been increased \$43,734.32 because of a recommended additional \$26,485.00 for the Wolfeboro Schools and another \$19,185.15 over last year, to cover expenses of Highways, Street Lights, Wharves, etc.

Borrowing in 1961 amounted to \$23,334.39 of which \$12,834.39 was for Fire Equipment, voted by the taxpayers at the last town meeting, but which was not included in the 1961 budget as submitted. The year 1962 budget proposes that the town borrow \$45,100.00 to cover the purchase of New Equipment and cover the cost of New Construction. Income to the town, other than taxes received or due in 1961, and money borrowed, amounted to \$79,073.84, which exceeded estimated revenue from these sources by \$9,462.28. These additional monies went a long way in keeping the 1961 tax rate below the estimated \$47.15 per thousand valuation. Property valuation increased an estimated \$200,000.00 during the past year and this fact should prevent any substantial increase in the 1962 tax rate.

The balance of expenditures for which property taxes must be assessed in 1962 will be approximately \$437,355.98, if the budget as approved by the budget committee, is accepted by the town meeting.

THE TOWN DOLLAR

REPORT OF HEALTH OFFICER

JAMES E. BOVAIRD, M. D.

Wolfeboro, N. H.

Jan. 7, 1962

Subject: Report of Health Officer for the 1961 Town Report

The past year has been a fairly healthy year, free from any serious contagious diseases and not complicated by any severe health problems. The town continues to have little or no poliomyelitis due undoubtedly to the great number of susceptible people that have had adequate Salk vaccine injections and who will continue to have a yearly Salk injection until a better vaccine is substituted.

Virus infections continue to be present but the more severe influenza virus infections have been limited by the large number of people who have received 'flu' vaccine.

School health examinations have been performed regularly by the school physician, Dr. Harold Gregory, and, on several occasions, have discovered diseased conditions which might not otherwise have been detected for some time. The health records of the children of Wolfeboro, which follow the children through secondary school, are valuable aids in determining the progressive health of each individual child.

The condition of the teeth of the school children is not as good as one would hope and this situation is being studied.

The lack of adequate numbers of nursing and convalescent homes is quite apparent when one realizes that there are some Wolfeboro residents in nursing homes in Laconia. The answers to this lack are not easy to find since it takes not only efficient but dedicated people to operate such homes. We are fortunate in having the homes that we have.

Respectfully submitted,
(signed) James E. Bovaird
James E. Bovaird, M. D.
Health Officer

TOWN ROAD AID

William Clark Road has had a 3 in. mix on part built in 1960, also sealed.

Pork Hill has been cut wider and fences and stone post put back with 12 in. of gravel from Mrs. Tucker's to Col. Clark place.

ROADS RESURFACED WITH TAR AND HONED

Forest Road light hone, Main St. to Carry Beach

Joe Melanson road

Pleasant Valley, honed from Kenneth Avery's to town line

Sealed from Bourdon Store to Chick Road

Varney Road, Kenneth Morgan's to end of black

Bryant Rd. sealed Frost Corner to State Road 109.

College Road sealed to R. R. crossing

Tarred from railroad tracks to top of Cotton Mountain

Clow Hill Road

Town Parking Lot to Wolfeboro Falls

Mill St. to bridge on Bay St.

Ed. Craigue's to Main St.

Mt. Wharf

There has been three mixes of patch for summer use, also one large mix for winter and spring use in 1962.

TOWN ROADS

There has been a great deal of sand and gravel put on our back roads where mud is bad in the spring, also rocks taken out and new culverts put in and old ones relayed. Catch basins were cleaned and ditches cleared where they gave the most trouble. Dead trees and limbs have been cut to help on plowing and tarring, and back roads have been widened a little from road machinery. There has been a new road built wider and culverts, graveled and tarred, at North Wolfeboro towards Trask Mountain. Also on the Macomber road by Dr. Trask's place, Dallas Road has been rebuilt with new culverts and widened, 10 in. of gravel and tarred from Main Road to the field. There has been cutting, new culverts and some fill on River St. Our tractor has mowed roadsides that we could reach with a 5 ft. bar.

The Highway Dept. now has charge of men at the dumps, push backs and sand. Main Street in the square has been cleared twice a week, rubbish and garbage collected three times a week during summer months.

The tractor shed has been raised with new foundation and sills. Also there has been an addition put on the main garage, with grease pit enlarged 12 ft. in length in order to get the school bus in and close the doors.

CLIFFORD H. STOCKBRIDGE
Highway Agent

Wolfeboro Water and Sewer Department

SUPERINTENDENT'S REPORT FOR 1961

WATER DEPARTMENT

Wolfeboro, N. H., January 15, 1962

The Department suffered a great loss with the death of Charles I. (Chucky) Lucas. His knowledge of the system and his warm personality will be sorely missed.

There was very little new construction to mains this year.

318 feet of 1¼ inch galvanized pipe was installed on Hopewell Shore.

708 feet of 6 inch cast iron pipe was installed on Shields Hill due to the new construction in that area. The present line is too deep to be of any more value. In case of break down the new section would have to be cut in. At present, it is not hooked up.

246 feet of 6 inch cast iron pipe was tied in on Whitten Neck with 24 feet of 4 inch branch off, plus one (1) new Mueller Hydrant. This was hooked to section under channel which was put in, in 1958 (250 feet), at the time the dam was rebuilt; making a total working extension of 496 feet. This was done to give better fire protection and water service to our many customers in that area. Two valves; one 4 inch and one 6 inch were installed in this extension for better water control. The 4 inch branch feeds three summer lines in that area.

240 feet of 2 inch galvanized pipe was installed at Brewster Academy rinks for flooding.

12 new home services were tapped

2 House trailers

1 Public faucet at Mast Landing

2 Services tapped and relocated

3 Hydrants were replaced on North Main Street

We had few leaks with interruption of service. It is bound to be inconvenient, but at times faster, to cut service completely off, than to repair with pressure on. Most summer line breaks are due to carelessness.

Pipe has been ordered to replace 4 inch section running on Center Street, approximately 1700 feet. This will be installed as soon as possible in the Spring.

Water samples were taken and sent in to the Board of Health when requested.

I wish to thank my Commissioners and crew for their help and cooperation; also plumbers who have made it much easier for me. Last, but not least, I wish to thank the committee who made the Department survey; Howard Avery, H. E. Erickson, Leonard Hubbard, Ellis F. Miller, and Edward Zulauf. It was a lot of work and time I hope to prove not wasted.

H. FRED OSGOOD,
Superintendent

SUPERINTENDENT'S REPORT FOR 1961

SEWER DEPARTMENT

Wolfeboro, N. H., January 15, 1962

There was no major construction this year. This was due largely to having to replace 1284 feet of Transite pipe across Front Bay Section of Smith River. The joints of this line could not stand the shift of sawdust base due to currents in that area. It was replaced with universal cast iron pipe with bolted joints. Reduced from 6 inch to 4 inch as recommended.

173 feet of 6 inch Transite pipe was laid on River Street to take in mill purchased by Malone Knitting Company. This extension also includes manhole. The whole thing was paid for by them.

There was one major break down to service on South Main Street section by Steve Corkum's residence. This was due to roots growing into a 6 inch main. The Department wishes to express its deepest regrets to Mr. Bailey for the trouble and time it cost him. 84 feet of this line had to be replaced.

Huggins Hospital and General Wolfe Inn were reconnected for better service, with manholes installed for better maintenance.

(1) New manhole was installed on Libby Street.

(2) New house connections were added.

People who are not on the system, and should be, are requested to make arrangements as soon as possible for this.

Service failures are largely due to roots, broken pipes and rags. People having any of these problems are requested to guard against it by better control and repairing trouble spots.

Cellar drains are a greatly added expense to the Department and should not be connected to the system. Due to the large amount of sewerage we are now pumping (approximately 300,000 gallons every 24 hours) this regulation will have to be enforced. Without these drains the system should be capable of handling any new connection required in the foreseeable future, without a major expansion of its filtering plant.

The water pollution section of the Board of Health spent about three weeks with us during the summer, checking on our sewerage treatment plant and surrounding waters for your protection. The use of Chlorine in this treatment controls the harmful bacteria before it overflows from the filter beds.

This is your system, the cost of operating it is largely up to you. Anyone wishing to inspect our plants and buildings are welcome to do so at any time. We take an interest in our work and it is good for our morale when you take an interest in us.

H. FRED OSGOOD
Superintendent

Wolfeboro Water and Sewer Department

HAROLD L. JOHNSON, Treasurer

AUDITOR'S CERTIFICATE

We have examined the accounts and balance sheets of the various Town Officers. Our examination was made in accordance with the auditing standards as required by the State Tax Commission, and included such tests of the records and other supporting evidence we considered necessary. In our opinion the statements herein present fairly the results of the operations of the Town Officers for the year 1961.

JOHN W. McDERMOTT
T. FREDERICK BRUNTON

PARKS AND PLAYGROUNDS

COMMISSION REPORT

New lights were installed at Cate Park, plus some repair work on the walks.

An underground drain was repaired at the Pleasant Valley Park.

Repair work was done on the houses at Brewster Beach before opening and closing for the season. The road from the parking lot to the beach was graded.

A two-inch water line was laid from Main Street to the corner of the hocky rink for flooding both rinks. Two more strings of lights were added to the hockey rink, and two flood lights to the general skating rink.

One new street light and two new flood lights were installed at the Ski Slope. Work was done at the foot of the slope to make a longer run-off.

As chairman of the Parks and Playgrounds Commission, I would like to thank the individuals, organizations, and several departments of the Town, who contributed labor and money to assist us.

Respectfully submitted,

CHARLES E. FOSS, Jr.

Report of the Public Health Nursing Committee

1961

With Mrs. Elizabeth Brown R. N. serving as Public Health and School Nurse, 1961 has been a very successful year for the Public Health Nursing Committee.

Routine physical examinations have been done by Dr. Harold Gregory in the first, third, fifth and seventh grades at Carpenter and Tuftonboro Schools and the ninth and eleventh grades at Brewster, plus all school athletes. Physical examinations were also done on all children at the South Wolfeboro School. Urinalyses and hemoglobins were done for the same students. All the children at Carpenter, South Wolfeboro, Tuftonboro and the students of the ninth and eleventh grades of Brewster have had vision screening, audiometric testing, heights were measured and weights taken and all recorded.

As in the past years, special funds were raised and together with state funds financed Dental Clinics for many children. Drs. Kipp and Brodrick have been most cooperative with this program. Five clinics were sponsored by the committee for immunization against poliomyelitis, diphtheria, whooping cough, tetanus, small pox and influenza. One Orthopedic Clinic was held at the hospital with a small attendance. Children have been taken to Mental Hygiene and Child Guidance Clinics. Families and individuals have been referred to the Lakes Region Family Service.

A "pilot study" has been done by Mrs. Marjie Williamson of the Drama and Speech Department of the University of New Hampshire on about eighty-eight children. No report has been received on this study.

Through the generosity of the Lion's Club of Wolfeboro, eyeglasses have been purchased for thirteen children.

During the past twelve months Mrs. Brown has made about 600 house calls to adults and children for nursing care or social service aid. She has worked closely with the social workers for the care of those on Welfare and Children's Aid.

The Nursing Committee thanks everyone who has in any way contributed to the success of this program.

Respectfully submitted,

ETHEL D. BLACK
MRS. GEORGE D. BLACK, Chairman

Report of the Librarian

To the Board of Trustees of the Wolfeboro-Brewster Memorial

Library:
Gentlemen:

The report of the librarian for the year ending January 1, 1962 is herewith presented:

At a time in the history of our country when there are so many diversions and distractions, it is encouraging and heartening to know that people are continuing to read a great many books as the yearly circulation indicates. Not only are novels read but books on subjects such as science in all its branches, biography, history, politics and government with particular emphasis on topics of current interest, and many others.

National Library Week and Children's Book Week were observed by the acquisition and display of new adult and juvenile books. In recognition of Book Week there was a display of new books in Mr. Parson's store window. At other times special occasions have been observed by exhibits of appropriate posters and other material. On the new bulletin board inside the library may be seen jackets of new non-fiction books available for loan.

The most valuable set of reference books added during the year was the newly revised "Grove's Dictionary of Music and Musicians," edited by Eric Blom.

The increasing use of paperbacks, free and inexpensive pamphlet material, and pictures for the picture file are providing more information for library patrons at the lowest possible cost.

The continued service provided by the State Library in the six yearly visits of the bookmobile and the mailing of books needed to supplement its book collection is of increasing value as is shown

by the figures for 1961. Six hundred and eight books were borrowed from the bookmobile and one hundred and seventy-nine by mail.

Again this year at the yearly meeting of the Women's Society of the Congregational Church the librarian and the assistant librarian gave brief book reviews of some of the books listed on the Congregational-Christian reading list. They also presented for the Historical Society a program of book reviews based on New Hampshire books of particular local interest.

The librarians attended the annual meeting of the New Hampshire Library Association at Conway. A district meeting of librarians was scheduled to be held at the library; but it was canceled because of illness of a staff member of the State Library.

As the librarian's report indicates, the number of books including memorial books donated to the library during the year was unusually large. For all of these gifts the librarian is very appreciative. It is especially gratifying when so many patrons express their interest in the library in this manner.

The circulation of books and magazines for the year was 34,787 of these classes: adult fiction, 14,666; non-fiction, 9,105; children's, 11,016. Five hundred and twenty-two new cards were issued. The largest day's circulation was 310, and smallest 32. Six hundred and ninety-eight books were added, and of this number 101 were contributed. One hundred and seventy-nine books were borrowed by mail.

LIBBY MUSEUM TRUST

Trustees of the Libby Museum
Wolfeboro, New Hampshire

Dear Sirs:

The following is a report of the Libby Museum for the year 1961:

| | |
|------------|------------|
| Donations | \$1,005 50 |
| Post Cards | 12 90 |
| Maps | 10 75 |
| <hr/> | |
| Total | \$1,029 15 |

The museum had another good year. One major improvement has helped to make the building more sound. The new roof, which was made possible through (an appropriation, by the Town) plus donations, makes us feel a little more secure about the preservation of the exhibits.

The interior of the main part of the building is being painted.

The proposed plans of the Garden Club to beautify the grounds is greatly anticipated, and will certainly be appreciated.

Several small exhibits have been added to the growing collection. These gifts have been donated by people who have sometime along the way come to have a warm spot in their hearts for the museum.

The art classes have proven to be a small success; much interest is stemming from them. It is hoped that classes will be held three or four days a week this summer.

The new signs announcing the museum are an asset. People are realizing the museum is here. The name of the museum on the Route Directories also helps to advertise it.

Visitors have come from several foreign countries and over forty states this past summer.

This summer, 1962, should be another good year at the museum. Thank you to everyone who helped make 1961 a good one at the museum.

Respectfully yours,

WILLIAM B. CARPENTER
Director

STATEMENT OF RECEIPTS

| | | |
|-------------------------------|------------|------------|
| Cash on hand, January 1, 1961 | \$3,684 84 | |
| 1961 appropriation | 4,000 00 | |

Wolfeboro Historical Society

Wolfeboro, N. H.
January 15, 1962

Board of Selectmen,
Wolfeboro, N. H.

Gentlemen: —

The Wolfeboro Historical Society submits the following brief review of its activities during 1961 as custodian of the "Early American Living Museum" which includes the Clark House and the old Pleasant Valley school house.

An interesting series of meetings was carried out with programs on topics connected with regional history, a tour of historical houses and an antique sale by a group of antique dealers. These events were planned and carried out by the Program Committee under Mrs. James Bovaird assisted by the Hostess Committee under Mrs. William Herbert and the Hospitality Committee under Mrs. Charles Brodrick.

Similar meetings will be held during the coming summer on the first Monday of each month from February to November inclusive with possible date changes for special events during July and August. We expect to have the Museum open during the afternoons from 2:00 to 4:30 beginning July 2 (omitting July 4) and ending September 1. We also hope to have open hours in the forenoons from 10:00 to 12:00. Special visits may be arranged by contacting Mrs. Lloyd Hamm.

Following the Carpenter School pupil visits to the Museum in 1960, a prize of \$5.00 was given by the Historical Society at the Carpenter Commencement last June for the best composition describing the Museum submitted in connection with regular classroom work. This prize was won by Miss Sarah Postance. A similar prize will be given next June.

Another prize, amounting to \$20.00, given by Mrs. Ralph Booth, will be presented to a Brewster graduate at the 1962 Commencement for the best composition on a topic developed by a visit to the Museum and written as an extra curricular activity.

Mr. George Fitch, our Librarian, has done a fine piece of work in cataloging and filing the large number of books and documents possessed by the Society and in answering the numerous requests, received from out of town sources, for historic and genealogic information. He will be very glad to receive such material for the Society library.

About \$1000.00 has been spent during the year by the

Society for major maintenance and improvement items. This included \$52.00 for 102 historic photographic negatives added to the Library and the following maintenance items; chimney repairs, \$415.00; rest room overhaul, \$190.00; cupboard and "paint day" material, \$50.00; chairs for school house, \$288.00. This work was directed by the Building Maintenance Committees under Messrs. Howard Avery and Richard Detscher as Chairman. Included in this work was a considerable amount of labor contributed freely by members.

A substantial increase in membership has been developed by the Membership Committee headed by Mr. John Judkins and we shall be glad to receive anyone who is interested in the history of our area.

We still have on hand for sale a number of copies of Parker's History of Wolfeboro and of the Index for it.

Yours Respectfully,

R. E. Argersinger, President
Wolfeboro Historical Society.

VITAL STATISTICS FOR 1961

BIRTHS

| Date | Name of Child | Name of Father | Maiden Name of Mother |

Fire Commissioner's Report

1961

On December 17, 1961 your New Hose 2 went into service. This chassis is a Ford 850 with the 1000 motor, a special combination promoted by the Ford Motor Co. for Fire Departments.

The body was manufactured by Farrar Fire Apparatus Co. to the specification of your Commissioners. This was necessary so that the unit could fit in the present Station and still have all the required equipment.

At the last Town meeting your Commissioners were allowed to spend \$15,000.00 for the New Hose 2. We received five bids on the body and equipment. Farrar was the lowest bidder while still meeting specifications and was awarded the contract for a bid of \$7,366.25. There were two bids for the chassis and Horne's Garage was awarded the contract for a bid of \$5,468.14. This makes a total of \$12,843.39.

This year we have enlarged our Plectron Radio alarm system from 16 to 20 and will continue to do so as fast as our budget will allow.

We are asking this year for a new surface on the floor of the Station. The present one has been in 30 years and has been dug up by the chains of the equipment when leaving for a fire. The floor will only increase our total budget by \$275.00 as we have reduced our apparatus maintenance by the purchase of the new unit.

Your Commissioners wish to thank the Chief, Station Personnel, Fire Fighting Force and The General Public for their consideration and cooperation during the past year in helping to make your Fire Department one of the most efficient in the State.

FORREST J. DURKEE
EUGENE F. LEHNER Sr.
ELLIS F. MILLER

Chief Engineer's Report

To the Board of Fire Commissioners and the Inhabitants of the Town of Wolfeboro:

I herewith submit my reports for the year ending December 31, 1961.

The department answered a total of 81 alarms for the year consisting of 16 box alarms, 2 brush alarms, 1 engineer's call, and 62 still alarms. These emergency calls were for 34 residential fires, 1 place of public assembly, 2 mercantile buildings, 18 grass and dump fires, 8 automobile fires, 2 false alarms, 7 smoke scares, 8 first aid and rescue calls, and 1 out of town fire.

The causes of the fires were dirty chimneys, flooded oil burners, overheated heating units, careless handling of flammable liquids, careless smoking, lint in clothes dryers, open burning, defective wiring, defective electrical appliances, and one arson fire.

The department traveled 311 miles, employed approximately 358 man hours of labor, used 900 ft. of 2½ in. hose, 2100 ft. of 1½ in. hose, 3820 ft. of ¾ in. hose, raised 388 ft. of ladders, and used 30 lbs. of Dry Chemical in extinguishing the fires.

The estimated value of property where there was any damage totaled \$148,370.00 and the estimated loss was \$4,690.00. The insurance carried on these properties was \$112,420.00 and the amount paid for damages was \$4,584.30. One small claim has not been completed and two were not covered by insurance.

The department inspected 33 oil burner installations and made several building and chimney inspections at the request of the property owner. Fire drills were held in both schools and at the dormitories at Brewster Academy. All calls for sighting or smelling smoke were checked out and cleared by the men on duty at the station.

The emergency and rescue calls were for dogs caught in the ice, child with head caught in chair, persons locked out of their house, resuscitator call for near drowning, and flammable liquids spilled on highway.

I wish to thank the citizens of the town, the fire commissioners, all town officers, and all town departments for their fine cooperation at all times.

Respectfully submitted,
GUY L. FOSS

Forest Fire Warden's Report

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook—yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness—our carelessness. This, we—you—and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations—hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you—

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 Fire Record

Number of fires: 1

Number of permits issued: 375

Number of acres burned: $\frac{3}{4}$

Municipal Electric Department

For the year ending December 31, 1961

REPORT OF THE COMMISSIONERS OF THE MUNICIPAL ELECTRIC DEPARTMENT

Generation

A total of 8,554,030 kilowatt hours was generated during 1961 which is an increase of 631,400 K.W.H. or approximately 7.4% over 1960. The peak load for the year was 2,220 kilowatts recorded at 6:00 P. M. August 21. The average cost of generation, excluding depreciation and insurance, was 1.37 cents per kilowatt hour. A total of 644,370 gallons of fuel was used averaging 13.27 kilowatt hours per gallon at an average cost of 11.52 cents per gallon. The cost of generation makes up about 50% of the total operating cost of the Department. The cost of fuel accounts for 65% of this generating expense.

The upper crankshaft on the model 38D81/8 O. P. engine broke at 3:20 A. M., November 20. The reason for the failure of this shaft has not as yet been definitely determined. Discussions are continuing with the engine manufacturer. Payment for the shaft and associated parts has been held up pending the final outcome of these discussions.

The ever increasing use of electricity, particularly during the summer season, will necessitate providing for more capacity within the near future. Studies are now being made as to the most economical and efficient way to increase the capacity. Several privately owned utilities will be contacted to determine if base load power can be made available to the Department and, at what cost. Several manufacturers of diesel generating sets have been contacted to determine the cost of additional diesel generation. It is anticipated that bids will be requested from at least four major manufacturers.

Distribution

To meet the demand for more electricity 33 transformers were installed to increase the secondary capacity by 456 K.W.H.; 53 poles were set by the Department and 11 by the Telephone Company; and 14 customers changed from a 2 wire, 120 V. entrance to the more efficient 3 wire, 240 volt service. A total of 45 new customers were added.

Although there were several sectional outages caused by fallen limbs, broken wires and blown line fuses, there were no major or prolonged outages during the year. All hurricanes were closely followed through radio and TV, and although there were several near misses, all went out to sea before reaching our area.

General

The rate revision effective November 1, did not change the net amount charged. The rate was changed to reflect a more up

to date cost of fuel. The block rate structure was increased and the fuel surcharge was decreased an equal amount. Provisions for quick recovery electric water heaters were provided in the revised Domestic ("D") rate. A new service classification was added to provide for primary purchase of power by customers having a high demand and using thousands of kilowatt hours per month.

Respectfully submitted,

HAROLD H. BODGE
EDWIN R. CRAIGUE
ROGER W. GREGORY

91-91-91 National Guard Unit Call.

YOUR TOWN

If you want to live in the kind of a town,
Like the kind of a town you like,
You needn't slip your clothes in a bag
And go on a long, long hike.
You'll only find what you left behind,
There's nothing that's really new
It's a knock at yourself when you knock at your town,
It isn't the town, it's you.
Real towns are not made by men afraid
Lest someone else gets ahead;
When everyone works and nobody shirks
You can raise a town from the dead.
And if you make your personal stake,
Your neighbor can make one too,
Your town will be what you want it to be,
It isn't your town . . . it's Y O U.
